SCHWEISSEN & SCHNEIDEN:

# WELCOME BACK HOME

**SCHWEISSEN & SCHNEIDEN, the undisputed No. 1 in the industry, is returning home for its 20th edition. The entire international community of joining, cutting and surfacing technology specialists will once again gather at the modernised MESSE ESSEN exhibition grounds – a promising home match.**

You have the unique opportunity to present innovative products to interested trade visitors in a particularly appealing ambiance. Engage in high-quality discussions and take advantage of the international diversity of the visitors. Make valuable contacts from around the world quickly and easily, establishing your company on the global market. But that's not all: trade visitors attending SCHWEISSEN & SCHNEIDEN traditionally exhibit a high appetite for investment, fostering your business success at the trade fair.

Deadline for registration/start of stand allocation:  
**30.04.2020**

In 2021, the unsurpassed range of the world's leading trade fair will once again cover the entire value chain, attracting numerous top decision-makers, experts and market leaders from all sectors. Key topics, including additive manufacturing, Industry 4.0 and underwater engineering, will all be showcased in hall 1A. This is a unique opportunity to experience and discuss further developments in automation, robotics and production. Become part of the future and register today as an exhibitor at SCHWEISSEN & SCHNEIDEN 2021!

# SCHWEISSEN & SCHNEIDEN 2017 IN FIGURES

euros in investments were made at the trade fair

\* Figures audited by FKM (Society for Voluntary Control of Fair and Exhibition Statistics)

\*\* Of which 44,530 were certified visitors

”  
OUR EXPECTATIONS FOR THE FAIR HAVE  
BEEN FULLY MET AND THE RESULTS WERE VERY GOOD.  
WE CONSIDER IT TO BE THE MOST IMPORTANT  
TRADE FAIR IN THE WORLD AND THE ONLY ONE WHERE  
WE CAN IMMEDIATELY CLOSE DEALS.

Dr Oliver Meier, Managing Director / Laser on demand GmbH

“

OUR IMPRESSIONS OF SCHWEISSEN & SCHNEIDEN  
2017 ARE EXTREMELY POSITIVE.  
WE ENCOUNTERED A MUCH HIGHER LEVEL OF  
INTERNATIONALITY THAN WE HAD EXPECTED.

Heiko Wolff, International Welding Specialist / Reuter GmbH & Co. KG

# THE ENTIRE WORLD OF WELDING AND CUTTING TECHNOLOGY

SCHWEISSEN & SCHNEIDEN 2021 offers the entire spectrum of innovative products and services in one place:

- ▶ Welding/joining
- ▶ Cutting/separating
- ▶ Surface technology/heat treatment
- ▶ Gas, operating and filler materials
- ▶ Equipment, safety, health
- ▶ Quality assurance
- ▶ Services/digitisation

## LOOK FORWARD TO THE NEW MESSE ESSEN

The remodelling of MESSE ESSEN, which began in 2016, into one of the most technically state-of-the-art exhibition centres in Germany has finally been completed. The key thematic areas of SCHWEISSEN & SCHNEIDEN are effectively distributed across eight spacious, ground-level halls. This results in a clear structure which ensures an easy orientation for all visitors. You can also look forward to a total of four impressive entrances, plenty of sunlight and the latest in air conditioning, sanitary equipment and lighting systems – top conditions for a successful trade fair.

”

**THE ENQUIRIES WERE HIGHLY QUALIFIED  
AND VERY INTERESTING FOR US.  
THE VISITORS SURPRISED US WITH THEIR HIGH  
LEVEL OF EXPERTISE. RETURNING IN 2021 WILL  
DEFINITELY BE A MUST FOR US.**

“

Yvonne Drabner, Partner / Novus air GmbH

# LEARN. EXPERIENCE. THE DVS

## **The industry meeting place – DVS CONGRESS 2021**

Knowledge transfer and networking: this is what the DVS CONGRESS is all about. Even more, it stands for top-class presentations every year with first-hand information about joining technology in all the sectors of the joining industry. At the same time, it is the gathering point and “place to be” for the entire industry. With this important specialist conference, the German Welding Society DVS once again presents itself as conceptual sponsor and partner of the world’s leading trade fair. Be there when it happens – join us!

## **Where talent is promoted – the DVS “Youth Welds” competition**

Right in the midst of it all and actively involved: the new generation of welders with DVS. At the world-renowned DVS “Youth Welds” competition, young talents have the chance to prove their skills in front of an audience of experts. The national DVS competition is a special highlight at SCHWEISSEN & SCHNEIDEN. Help shape the future of welding technology and support the competition as a sponsor, partner or spectator.
